

# Cheery Creator GPT Coloring Book

## 2024

I hope you have fun!

I create cheerful slogans and coloring  
book style illustrations with a raccoon  
motif.

By Ingrid Dethloff

Sparrows flit and play,  
In morning's golden embrace,  
Joy in small feathers.

Age is just a number,  
but your awesomeness is infinite!

Stand tall like a heron, even if you feel like a raccoon in a tree.

Office life: Where coffee is the fuel and  
Teamwork makes the dream work.

Sunrise paints the sky,  
Nature's smile wakes the earth's heart,  
Joy in every ray.

Skyscrapers reach, dreams awake: In New York's embrace, ambitions take shape.

Quiz today, conquer tomorrow!

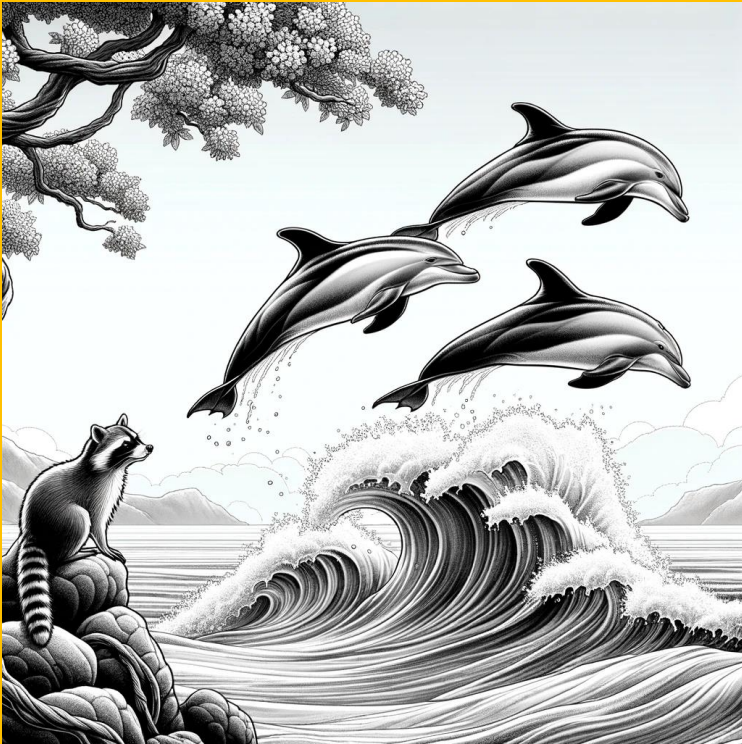

New town, new adventures: Where every street is a story waiting to be discovered.

Dancing through the waves,  
Dolphins leap, ocean's heartbeat,  
Joy in each splash made.

Racoon in moonlight

Whispers of night's gentle play

Nature's masked ballet.

Whispers in the night,  
Raccoons dance in the attic,  
Moonlit mischief reigns.

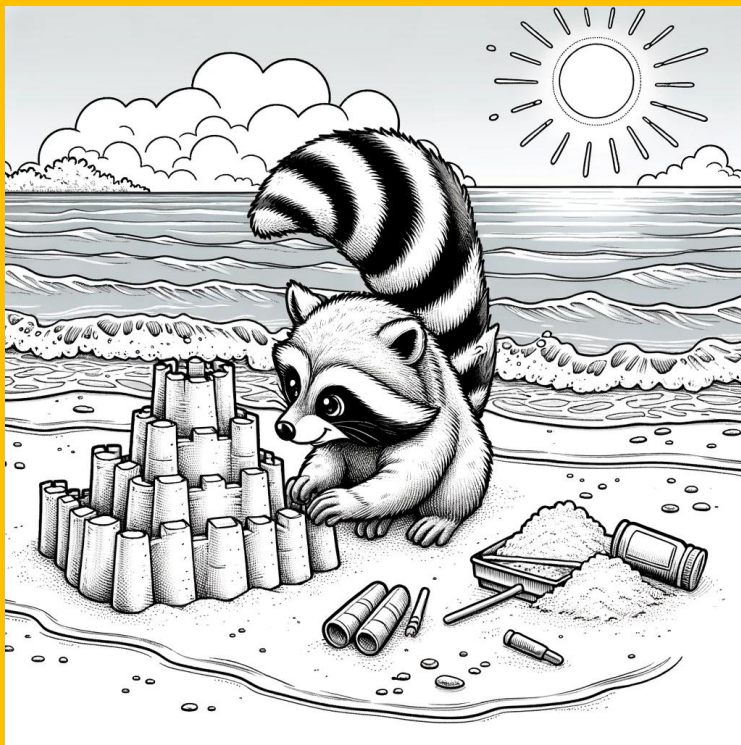

Where sails meet sky, dreams fly high:  
Sydney's Opera, under the southern sigh.

Paws patter softly,  
Cats dream, dogs chase in their sleep,  
Friendship in whiskers.

Sunshine and sea waves: Where every moment is a splash of happiness.

A happy young woman enjoying her time at the beach.

Penguins waddle not just to walk,  
but to remind us life's a playful hop!

Rowing your way to success: “In life’s river, every stroke counts. Keep rowing!”

Even the mightiest oak started as a nut  
that held its ground.

Mountain paths beckon,  
Whispers of wind call my name,  
Nature's peace found steps.

Step by step, peak by peak: Every climb tells a story of strength and beauty.

Sweater weather: Where comfort meets style  
in a hug.

Turn down the heat,  
save our beat.

Sylt's winds whisper, dunes shift: Where sea meets sky, spirits lift.

Paris whispers, Eiffel towers:

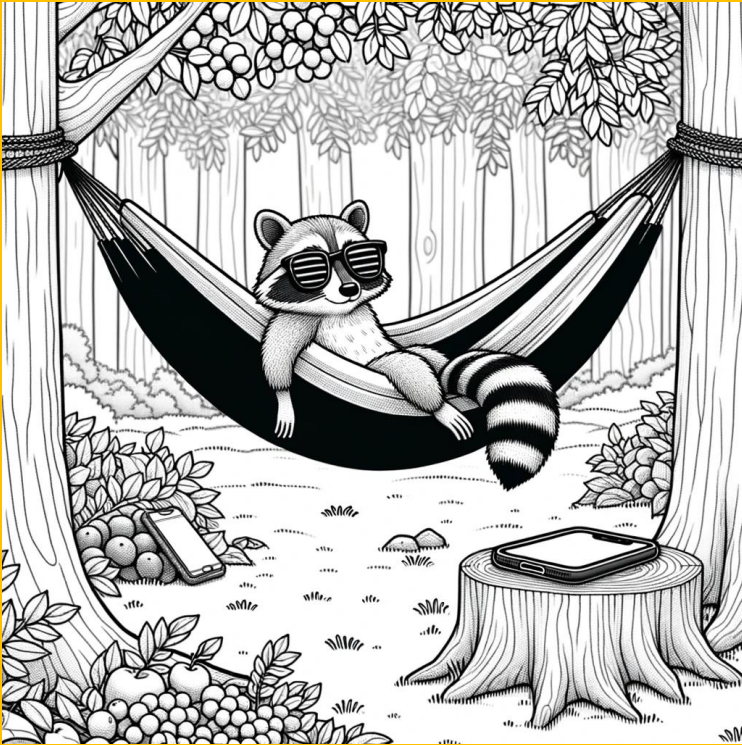

In the city of lights, romance flowers.

Encourage taking joyful breaks throughout your day.

Recharge your batteries, not just your phone!

Ancient stones whisper tales  
under Rome's eternal scales.

Gentle morning sun,  
Whispering leaves, birds in tune,  
Peace in every step.

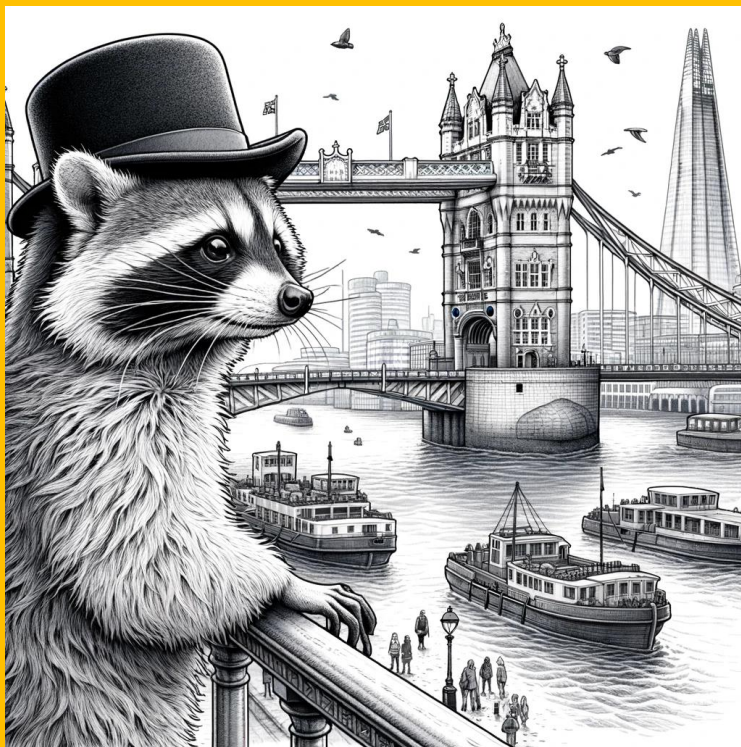

Embrace the chaos, for in it,  
you find your masterpiece.

Be like a cat: enjoy the simple yarns of life and always land on your feet!

Where history spans, modern glances:  
Tower Bridge stands, London dances.

Start your day with a smile,  
it's the most fashionable accessory!

Reach new heights,  
One step at a time.
